

CILIP CARNEGIE AND KATE GREENAWAY
★ MEDALS ANNIVERSARY ACTIVITY CARD

#2 - THE GREAT CARNEGIE GREENAWAY BIRTHDAY CARD

In 2017 we are celebrating 80 years of the CILIP Carnegie Medal and 60 years of the CILIP Kate Greenaway Medal. We would like you to join the celebrations by participating in these specially designed anniversary activities.

For the anniversary year we are asking you to create a birthday card to help us to celebrate 80 years of the CILIP Carnegie medal and 60 years of the CILIP Kate Greenaway medal. You could incorporate images and design inspired by any of the past medal winning books or come up with a celebration image of your own. You can see the list of past winning books in the archive www.ckg.org.uk/archive

Draw your design in the frame overleaf. You could photocopy or download this card (www.ckg.org.uk/anniversarydownload) to make your own display. Upload your images to www.ckg.org.uk/greenawaygallery and share them online. **#bestchildrensbooks**

"Have fun with it. There's not a right and wrong way to do it. Try out lots of different materials and ideas. Often things that work out best are happy accidents." Emily Gravett, CILIP Kate Greenaway Medal winner, 2005 and 2008
